Leptospirosis--On the increase due to global warming

Author(s): Rock C, Horgan M

Year: 2010

Journal: Irish Medical Journal. 103 (10): 317

Resource Description

Exposure:

weather or climate related pathway by which climate change affects health

Food/Water Quality

Food/Water Quality: Pathogen

Geographic Feature:

resource focuses on specific type of geography

None or Unspecified

Geographic Location:

resource focuses on specific location

Non-United States

Non-United States: Europe

Health Impact: M

specification of health effect or disease related to climate change exposure

Infectious Disease

Infectious Disease: Foodborne/Waterborne Disease

Foodborne/Waterborne Disease: Leptospirosis

Resource Type:

format or standard characteristic of resource

Policy/Opinion

Timescale: M

time period studied

Time Scale Unspecified
